SSBRA Mission

The South Side of the City of Pittsburgh is one of the safest, vibrant, eclectic, and wonderful communities in the country. The business community, centering primarily on the East Carson Street area reflects this rich and diverse mixture and runs through the heart of the South Side. This national treasure is one of the oldest and largest in the county. Art galleries, tattoo shops, upscale women's clothing shops intermingle on this bustling thoroughfare alongside many fine restaurants, bars, coffee shops and professional businesses.

The harmony of this mix and the success of the mixture is in the diversity of the community. The South Side Bar and Restaurant Association is founded upon and dedicated to the preservation of this harmonious mixture which makes this, the famous South Side of Pittsburgh so unique.
